

Gold

All Natural Ingredients: Oats, wheat and prunes
Oats and wheat are rich sources of natural fibre. Prunes are fruits traditionally known for the goodness of their fibre content.

NEW

Enhanced nutrients your baby needs with the natural fibre of oat, wheat and prunes.

A healthy tummy starts with NESTLÉ® GOLD® Infant Cereal Stage 2. Made with the added goodness of natural oat, wheat and prunes, NESTLÉ® GOLD® Infant Cereal Stage 2 gives your baby the fibre she needs to make sure her digestive system moves food along smoothly. We've also added the enhanced nutrition of our special BL BIFIDUS® formulation, a friendly active live culture, combined with PREBIO® (fibre) to help your baby absorb essential nutrients more efficiently. Your baby is assured of complete nutrition and a more comfortable start in life. To learn more, go to www.weaning.com.my.

NESTLÉ's very own formulation which consists of friendly active live cultures.
